

**LTC Danny Morton**  
**Product Manager**  
**Medical Communications for Combat Casualty Care**

LTC Danny Morton is the Product Manager for Medical Communications for Combat Casualty Care (MC4), assuming the charter on April 17, 2012. His mission is to integrate, field and support a comprehensive medical information system, enabling lifelong electronic medical records, streamlined medical logistics and enhanced situational awareness for Army operational forces.

LTC Morton was born in Saigon, Vietnam, and is a native of Washington state. He is a distinguished military graduate and is commissioned to the Medical Service Corps. He served in numerous tactical, operational and strategic assignments in operations, logistics and readiness functional areas. Prior to MC4, he served as Chief of Staff for U.S. Army Medical Materiel Agency, Fort Detrick, Md. His joint assignments include Chief, Medical Logistics Plans & Readiness, Command Surgeon, U.S. Pacific Command; Team Chief, Medical Advisory Team, Regional Command-South, Kandahar, Afghanistan. HQDA assignments include Systems Coordinator and Executive Officer for Medical Systems, Assistant Secretary of the Army for Acquisition Logistics & Technology; Acquisition Logistics Program Integration Division, Army Surgeon General. Operating force assignments include Medical Logistics Readiness, Command Surgeon, I Corps; Chief, Logistics (S4) then Executive Officer, 47<sup>th</sup> Combat Support Hospital, Fort Lewis, Wash.; and Medical Platoon Leader, 177<sup>th</sup> Armor Brigade/Opposing Forces, Fort Irwin & National Training Center, Calif. His U.S. Medical Command Medical Facilities assignments include Chief of Logistics, Schofield Barracks Health Clinic; Company Commander & Chief, Materiel Branch/Accountable Officer, Tripler Army Medical Center, Hawaii; Chief, Plans, Training, Mobilization, & Security (S2/S3), Community Hospital, Fort Irwin, Calif.

LTC Morton's honors include the Bronze Star Medal, Defense Meritorious Service Medal, Meritorious Service Medal (3), Army Commendation Medal (4), Joint Service Achievement Medal, Army Achievement Medal (4), NATO Medal, Expert Field Medical Badge, Parachutist Badge, Air Assault Badge, and the Order of Military Medical Merit.

LTC Morton earned a B.A. in Economics, University of Washington and a M.S. in Health Service Administration, Central Michigan University. His professional certifications include the Defense Acquisition Level III in Program Management and Life Cycle Logistics; Certified Defense Financial Manager–Acquisition, American Society of Military Comptrollers; and Certified Materials & Resource Professional, American Hospital Association.
